Reference

Profile

Designs interfaces, systems and products within the framing of human behavior. Enthusiastic designer with 4+ years of experience and specialization in iOS app development. Seeking to help generate forward-thinking, creative solutions and to deliver digital experience excellence.

Education

Bachelor of Design   2017 - 2021
Pontifical Catholic University of Paraná

Bachelor of Laws   2012 - 2017
Pontifical Catholic University of Paraná

Experience

Jr. Mentor   2021 - Present
Apple Developer Academy

Provided appropriate feedback and ensured every student received a positive collaborative experience in which they can learn and teach mutually.

Lead Designer   2020 - 2021
Cluster

Ensured the successful delivery of the app on both iOS and Android platforms. Produced and maintained the internal style guide while implementing new features based on user stories.

Intern/Student   2019 - 2020
Apple Developer Academy

Learned how to apply the CBL methodology in order to solve real-world challenges by working with students from different undergraduate degrees.
